**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I used to pay over two hundred dollars per month for AT&T, Comcast, and various other providers for internet, cable TV, and home phone services. Now, I have a separate cellular phone service, along side my home and internet bundle. I do not have the time to watch TV, so I cancelled my cable subscriptions. I now have Sonic internet and home phone service, and am paying only a third of my previous bills. Please allow Sonic's continued service to me. I am on fixed income, and cannot afford to pay \$3,000 per year for prime movies, and local news, cable TV, and home phone bundled service.
